Exhibits, exhibition materials/merchandise for temporary use: PROFORMA-INVOICE (3x original in English) with proper consignment details (i.e. gross/net weight, number of freight pieces, number of particular pieces, price, delivery terms - DAP Prague/according to INCOTERMS, Brussels customs code).

For merchandise which is being imported only for the exhibition purposes and for which sale during the exhibition is not expected and it is obvious that will be in a unchanged form returned back abroad, we recommend to use CARNET ATA as the accompanying customs document (issued by Chamber of Commerce and Industry in the country of origin).

Advertising, consumer materials/catalogues, brochures, advertising gifts, i.e. pens, CDs, etc., consumer goods - refreshments, i.e. merchandise for consumption:

For these goods a separate PROFORMA-INVOICE has to be available (requirements above) as this merchandise follows valid customs regulations after arrival identified for release into free circulation, or for consumption during the exhibition and customs fees (customs duty, VAT, Consumer tax) are applicable to this merchandise.

8/ HANDLING WITH EMPTY BOXES

The empty boxes of your exhibition material and exhibits will be delivered into a warehouse, stored during the whole time period of the exhibition and during breaking-down of the exhibition will be brought back to your stands.

(Empty cases are cases, cardboards, pallets, baskets, barrels, etc. without exhibits, any of their parts, or without any exhibition materials for which is the forwarder not liable during the storage period, if storage of such a material is not properly ordered!)

9/ TERMS OF PAYMENT

All customs-forwarding services are paid by the exhibitors directly to the provider. Exhibitors who are not using services of SCHENKER worldwide network or its authorized agents have to pay our customs-forwarding services by remittance in advance or in cash/by credit card in Prague.

10/ GENERAL CONDITIONS

Forwarder's responsibility ends at the moment of delivery of the goods to the exhibition stand or to the nearest possible accessible location and by the handover to the exhibition stand, even if the exhibitor or his accredited representative is not present and begins by the following pick-up at the exhibition location.

We would be happy to answer any further questions from your side or to prepare preliminary price calculation if you let us know your requirements for our customs-forwarding services and advise all necessary details concerning your shipments.
